LET'S KŌRERO AND PLAY THE GAME!

Cut out the template and follow the instructions to fold your Kemu Kōwhiri.

Once your Kemu Kōwhiri is complete pick someone and ask them the following questions in the correct order. Allow them to look for the answers in your Kemu Kōwhiri.

1. Ask: Whiriwhiria i tētēhi tau (Pick a number)

Start by allowing the person you ask to choose a number from Tahī to Whā (1-4).

Depending on the answer start opening and closing Kemu Kōwhiri as many times as the number you were given.

2. Ask: Whiwhiria tae (Pick a colour)

Let the person who is responding pick a colour from the options from Kemu Kōwhiri depending on where you have landed. Once they reply with the chosen colour, unfold the paper and read out loud: **He ... (answer from your Kemu Kōwhiri) ... koe. (You are ...)**
