

TE KEMU KŌWHIRI

THE CHOOSING GAME

LET'S KŌRERO AND PLAY THE GAME!

Cut out the template and follow the instructions to fold your Kemu Kōwhiri.

Once your Kemu Kōwhiri is complete pick someone and ask them the following questions in the correct order. Allow them to look for the answers in your Kemu Kōwhiri.

1. Ask: Whiriwhiria i tētēhi tau (Pick a number)

Start by allowing the person you ask to choose a number from Tahī to Whā (1-4).

Depending on the answer start opening and closing your Kemu Kōwhiri as many times as the number you were given.

2. Ask: Kei te pehea koe? (How are you?)

Let the person who is responding pick the options from Kemu Kōwhiri depending on where you have landed. The person answering will reply with Kei te rongo au... (I feel ...) followed by their chosen answer. Once they pick the reply to your question unfold the paper and read out loud the answer underneath directed at the third question.

3. Ask: Kei te haere koe ki hea? (Where are you going?)

Have fun practising Te Reo Māori.
